- Steve Simon/The Passionate Photographer
<http://www.thepassionatephotographer.com>
- Digital Photography School <http://digital-photography-school.com>
- Katie: check out your local arts center. In a city near my house the arts center features well respected photographers who lead phenomenal day long or multi-week long courses to learn new techniques or as a refresher for the basics.
- Abigail: Look into continuing education at your local community college. I took several classes on photography and photo editing through the University of Texas at Arlington.
