

// ABOUT US

American Horse Publications (AHP) strives to be the primary source of education, resources and networking for the equine media community. We believe a proactive approach in an ever-evolving communications-driven world allows us the flexibility and opportunity to promote, support and reward excellence in equine media.

**A GUIDE TO
PRESS RELEASE
OPTIMIZATION**

The most valued membership benefit of the American Horse Publications is its Newsgroup Service for press release distribution across the equine industry. Make the most of this member benefit by writing press releases that stand out!
